OBJECTIVE

Passionate Front-End Developer with expertise in React, Next.js, and the MERN stack, along with a strong proficiency in WordPress and PHP. Successfully completed more than 15 projects, maintaining a stellar 5-star rating and positive reviews from all clients. Known for delivering efficient and scalable solutions while fostering long-term client relationships. Additionally, skilled in web design and UI/UX, proficiently utilizing tools like Figma and Adobe Suite to create Unique Solutions.

Seeking opportunities to leverage my skills, to contribute to dynamic projects, collaborate with talented teams, and further develop my expertise in the ever-evolving field of web development.
